PRINTER SUPPLIES

PRIME PRINTING TECHNOLOGIES

TONER CARTRIDGES AND DRUM UNITS

A BRAND OF PELIKAN HARDCOPY PRODUCTION AG

Your success is our goal

PRIME PRINTING TECHNOLOGIES & PRIVATE LABEL SOLUTIONS

Prime Printing Technologies is the most preferred products of Pelikan Hardcopy Production AG.

QUALITY GUARANTEED

Based on the companies experience in manufacturing printer consumables, Pelikan Hardcopy Production AG can offer a wide range of remanufactured toner cartridges. Our brand "Prime Printing Technologies" toner cartridge modules conform to all established international standards. Safety and compatibility with OEM equipment is confirmed by independent authorities.

PRODUCT CERTIFICATIONS

With respect to the most important and international product certifications Prime Printing Technologies is able to offer a wide range of compatible and well approved toner cartridges. At the same time Prime Printing Technologies is permanently checking the market for its additional environmental, technical and/or ecological needs. Roughly 200 toner cartridge modules are Nordic Swan certified today. Beside the AMES approved toner powder, Nordic Swan is one of the most important certifications in the European market today.

CERTIFICATIONS AND WARRANTY

COMPANY CERTIFICATIONS

The producer for Prime Printing Technologies products (Pelikan Hardcopy Production AG) has been maintaining a quality management system according to the specifications of ISO 9001, ISO 14001, OHSAS 18001 as well as the Code of Conduct from ETIRA, the European Toner and Inkjet Remanufactures Association, based in Brussels (Belgium). These principles, specified in the Company Policy, apply to all levels of production, distribution, R&D as well as the worldwide sales and marketing of the products. In an era where international laws regarding the environment are becoming stricter all the time. Pelikan Hardcopy Production AG put its main emphasis on the development of environmentall-damaging to helth.

WARRANTY

We guarantee that the use of our products will not cause any damage, premature wear or deterioration of equipment of laser printers.Prime Printing chnologies toners for laser printers are compatible with the requirements of the respective printer. Our products are guaranteed to function smoothly, and bring an excellent printing result. Pelikan Hardcopy Production AG guarantees tested quality for all its products. Research and development and production – prehensive expertise in one package – is your guarantee of high quality.

PRIME PRINTING TECHNOLOGIES
WARRANTY
The Toner and inkjet cartridges of Prime Printing Technologies are the right choice every time – the highest quality standards, solid manufacturing methods, and continuous process improvement resulting in top quality at fair prices. The 24 month warranty is the basis for our reliable products. By remanufacturing toner cartridges a significant contribution to the protection of our environment is achieved. This is guaranteed not only by the certification "ecolabel" Nordic Swan but also by our ISO 9001, ISO 14001 and OHSAS 18001 processes. Environmentally friendly production and use of health-safe materials are our basic principles. We also respect the intellectual property of others and make the point that we feed our remanufacturing process with used original cartridges only, that were put on the market in the European Economic Area.
Should the quality, despite the 100% final inspection, not meet the high expectations set by Prime Printing Technologies AG, please return the toner or ink cartridge - we will replace it free of charge. I f damage is caused, despite it was properly used in printer accessories, we stand by the context of the legal provisions on product liability.
This warranty gives you security, that you can expect not only from the OEM but also by us as a well known manufacturer for many years.

PRIME PRINTING TECHNOLOGIES

10 GOOD REASONS

What you get with Prime Printing Technologies Toner acrtridges from Pelikan Hardcopy Production AG

- High quality products developed in Switzerland and produced in Europe
- Remanufactured toner cartridges in accordance with DIN 33870
  ↪100% compatible with the original toner cartridges
- Company certifications: ISO 9001, ISO 14001, OHSAS 18001, Code of Conduct
- Product certifications: Ames, Nordic Swan, PTS
- Page yield certifications: ISO 19752 for monochrome and ISO 19798 for colour
- 2 years warranty
- Unlimited quantities
- Short delivery times
- Full services and layouts for private label customers
- Many years experience of co-operation with private label customers
